Ese koko iyi si iyoborwa na Illuminati? (Igice cya kabiri)

Nk'uko nabivuze ubushize, Illuminati igamije kwiharira isi yose. Muri urwo rwego bakoresha ibishoboka byose ngo batangatange abaturage bose b'isi (kuva ku muturage w'Amerika kugera kuwo muri Somalia) babinyujije mu nzego zitandukanye nk'ubukungu, ubuzima, imibereho rusange ndetse n'imyidagaduro. Aha rero niho uri bubonere ko Illuminati ifite uruhare runini mu mibereho yacu kurusha uko tubitekereza.

Mbere yo gusoma iyi nkuru, nakugira inama yo gukanda hano ukabanza gusoma igice cya mbere cyayo.

- Illuminati bashaka ko abantu bata ubumuntu, mbese bagafasha hasi ibyo mu Rwanda twita indangagaciro na kirazira. Ibyo babikora bafata imico ishobora kugaragara nk'aho ari mibi, bagakora ku buryo ifatwa nk'ibigezweho, nk'ibintu biri cool, bityo bigatuma urubyiruko rubikurikiza. Aha natanga urugero rw'ababana bahuje ibitsina (gays and lesbians). Kuri ubu ibi bintu bifatwa nk'ibisanzwe, ku buryo iyo wihaye kubirwanya ufatwa nk'umuntu udasobanutse, w'umunyamusozi, wanga ikiremwamuntu (homophobe) n'ibindi.

- Ubusambanyi: aba Illuminati bazi ko gukoresha imbaraga z'igitsina mu kavuyo ari bimwe mu bintu bizatuma tuba nk'abacakara, ntituzabashe kubigaranzura. Ibi rero babikora bifashishije amashusho mu binyamakuru, internet na za films zitandukanye zerekana abantu bambaye ubusa cyangwa bakora imibonano mpuzabitsina, byose bikaba bigamije gutuma abantu bakora imibonano mpuzabitsina kenshi, bakabikorana na benshi bashoboka, ntibagire ikindi batekereza kizima.

Ibi babifashwamo na films za Hollywood kandi bagakora ku buryo arizo zijya imbere. Aha natanga urugero rwa film imwe yitwa Juno yasohotse muri 2007. Iyo film uyirebye wabona atari nziza, ikaba ivuga ku mwangavu w'imyaka 16 watwaye inda… Iyo film yahawe ibihembo byinshi, iravugwa cyane ku isi, ariko zimwe mu ngaruka zayo zabaye ko muri leta imwe ntibuka neza basanze hari abana b'abakobwa benshi biyaranje bagatwara inda batarageza imyaka 18, kuko bumvaga ari ibintu biri cool… Ibi birakwereka imbaraga za films kandi ba Illuminati ntibabiyobewe.

Inzu zisohora cyangwa zitunganya za films zigiye ziri mu maboko ya Illuminati. Aha twavuga nka Paramount (ifite ikimenyetso cya pyramide, ikimenyetso cy'imena cya Illuminati), Columbia Pictures (ifite ikimenyetso cy'umugore ufashe umuriro, ikimenyetso cya Illuminati) na Tristar (ifarasi iguruka, ikimenyetso cya Illuminati). Izo

nizo nzu 3 za mbere i Hollywood, bakaba bakora bakanasohora films zijyanye na gahunda yabo nyine! Aha ariko sinavuga ngo mureke kureba films zisohorwa n'izo nzu kuko n'izindi zose zigiye zishamikiye kuri zo! Muri make ntaho muzabacikira…

Mu muziki kandi naho niko bimeze. Abahanzi benshi bagiye bavugwa ko bakorana na Illuminati cyangwa bayirimo. Muri bo hari abagiye bamenyekana cyane nka The Beatles, The Rolling Stones, U2 n'andi ma groups menshi ya rock yamenyekanye n'ayo muzi ubu. Bitumye nibuka akaririmbo kitwa 'Rockstar' ka Nickelback aho bagira bati "I'll sell my soul for fortune and fame", ni ukuvuga ngo "nzagurisha roho yanjye ngere ku bukire n'ubwamamare!"

Ayo ma groups ntabihisha kuko iyo urebye mu magambo y'indirimbo zabo bigiye birimo. Groupe ya rurangiza mu zizwi za rock ko zikorana na Illuminati, ni AC/DC. Ubundi izina ryabo rivuga Alternating current/Direct Current ariko bamwe mu banditsi bavuga ko izina ryabo nyaryo ari Anti-Christ/Death to Christ. Bo rwose ibyabo ni birebire ntawarubara. Indirimbo zabo ziba zivugira ibyiza by'umuriro utazima (enfer/hell)!

Mu bahanzi b'iki gihe benshi bazwi bivugwa ko bakorana na Illuminati na Freemasonry, n'iyo baba batari abanyamuryango b'utwo dutsiko twombi. Abo ni nka 50 Cent, Lil Wayne, Jay-Z na Kanye West bashyirwa mu majwi cyane kuba bakorera Illuminati, aho bakoresha ibimenyetso byayo nka mpandeshatu, indamukanyo yo kuzamura intoki 2, urwa mbere n'urwa kane, bikaba ari ikimenyetso cy'amahembe ya Sekibi (Cornes du Diable/Devil's Horns), umubare 666 n'ibindi. Muri bo hiyongeraho Rihanna, Madonna, Lady Gaga n'abandi benshi cyane, aho muri clips zabo hagaragaramo ibimenyetso byinshi bitandukanye bya Illuminati na Freemasonry. Binavugwa ko Kanye West (wivugiye ubwe ko yagurishije roho ye) yaba yaremeye ko nyina apfa nk'igitambo cyo kumenyekana kwe…

Jay-Z na Kanye West bakora ikimenyetso cya mpandeshatu. Ntitukigane ibyo tutazi...

Rihanna azamura intoki 2, ikimenyetso ubusanzwe gikoreshwa n'abasangirangendo ba Shitani (satanits)

Lady Gaga na Rihanna berekana ijisho rimwe, nka rya rindi riri ku idolari

Bivugwa ko Illuminati ifata abana bakiri bato, bakabatoza hakiri kare (mind control) kugirango nibakura bazashimangire gahunda za Illuminati mu nzego zitandukanye.

Bamwe iyo bakuze bajyanwa muri politiki (nk’uko byagenze kuri Kennedy, Bush,etc), mu bukungu (Rotschild, Rockefeller), abandi bakajyanwa muri showbiz (Marilyn Monroe, Elvis Presley, Britney Spears, Angelina Jolie, John Travolta), n’abandi benshi bajyanywe mu madini atandukanye harimo na Kiliziya Gatolika (abakaridinali, abasenyeri n’abapadiri bamwe na bamwe).

Abagiye biha kuvuga nabi Illuminati babiguyemo. Abo ni nka:

- John Lennon (wo muri Beatles), Jimi Hendrix n’abandi.

Abo bahanzi kandi bashorwa mu myitwarire mibi (gucana inyuma, kurwana, gusinda, kunywa ibiyobyabwenge, kwiyandarika, kuvuga amagambo mabi) kugirango tubigane, kuko tuba tubemera. Nibo tureberaho imyenda, imisatsi, imvugo n'imyitwarire igezweho...

Nyayo nguko, ngabo abatubera ingero mu buzima twagakwiye kubaho! Muri Amerika bo baturusha ubwenge kuko indirimbo zimwe na zimwe za hip hop na rock zirimo amagambo mabi cyane batemera ko zumvikana ku maradiyo. Ibyo bituma abahanzi bakora versions 2, irimo imvugo itameshe (dirty) n’idafite icyo itwaye (clean). Yes, twe ibyo twumva biri dirty… Na films nazo ni uko kuko ku mateleviziyo hari ibidacaho (censored) mu gihe twe izo tureba ino ziba ari uko zakabaye (uncensored/non censurés).

Igice cya Gatatu cy'iyi nkuru kikazibanda ku bubasha aba Illuminati bahoranye, ubwo bafite muri iki gihe n'aho babukura.
